

Education Alliance

Business & Community for Public Schools

*Recognizing that education is a joint venture between schools and communities;
schools are an integral part of every community and a key element in economic growth;
everyone has a stake in quality education; and school partnerships in education can
advance powerful student learning outcomes;*

it is hereby certified that the partnership of

Bethlehem Elementary School

&

All State Helping Hands/Dietz Insurance Agency

is worthy of receiving this acknowledgment signifying a

Partnership in Education

*This Partnership is a collaboration that will focus on academics and
promote interaction among business employees, students, and educators,
enhanced by a mutual understanding and respect between the school and business.*
